Avoiding Violence In Schools

For Anyone Who Has Authority Over Students and Needs to Impose Discipline

Presented by the Author of 'Hardcore Kids—Who Are They & What Do They Want', Adele Sims presents the reasons for the behaviours, the fallout, the costs—emotional, physical, environmental and educational, and most importantly tried and tested strategies used to de-escalate volatile and potentially violent incidents before they occur. If you're scared of them, they'll know. If you despise them, they'll know that too. If you're genuine in wanting to help them and educate them, they'll recognize it and honour you for it.
